BOARD MEETING - Tuesday, September 8th 7:00 PM

TUESDAY, September 15th

Dinner 6:30pm

Country Ribs / Scalloped Potatoes / Green Beans / Coleslaw / Roll & Butter \$20

Beginning in the late 19th century, as the trade union and labor movements grew, diverse groups of trade unionists chose a variety of days on which to celebrate labor. In the United States, a September holiday called Labor Day was first proposed in the early 1880s. Alternative accounts of the event's origin exist. Descendants of two men with similar last names claim their great-grandfather was the true father of the holiday.

A Note From Our ESC President

From the ESC president:

September is here quickly this year and the fall weather is already kicking in. School is now back in session and Friday night high school football season has begun, as well as harvesting almonds and walnuts. We are all looking forward to the fall season.

Monday and Saturday morning trap shooting are going well, great to see everyone coming out.

Our annual BBQ chicken dinner as well as the membership tri-tip dinner was a huge success again, A Great Big Thank You to all who participated (cooking, serving, or purchasing dinners)! September dinner is BBQed country ribs, scalloped potatoes, green beans, coleslaw, bread/butter. Anyone interested in helping, please feel free to contact me.

Weve added some window tinting to the bar area windows, to cut the glare and heat down, as well as some electrical repairs, updates to the kitchen area. We will continue making improvements to sportsman's club for our members to enjoy.

Our annual buck stew is around the corner, looking forward to seeing everyone come out.

As a reminder, the Rifle/Pistol Range is for the Escalon Sportsman's Club members and immediate family members only.

Harold Hughes
